

# Parents don't need to wait until 2015 to make savings on their childcare costs!

Childcare Vouchers are available now and will continue to be until parents no longer need to use the scheme.

Many parents will be better off using **Childcare Vouchers** rather than Tax-free Childcare.

Type of household*	Better off using Childcare Vouchers if monthly childcare costs less than:
All two parent households where <b>only one parent works</b> , will <b>always</b> be better off using Childcare Vouchers.	
Basic Rate   Basic Rate	£778
Higher Rate   Basic Rate	£649
Higher Rate   Higher Rate	£521
Basic Rate** 	£389
Higher Rate** 	£260

Remember! Working parents can save up to **£933 per year**.

This can double if both parents use Childcare Vouchers

\*Assumes all working parents are taking Childcare Vouchers.  
 \*\*One parent household or where only one parent is claiming Childcare Vouchers in a two parent household.
